

OVERVIEW

MAIN STREET LENDING PROGRAM

The Program will operate through three facilities (loan programs): the Main Street New Loan Facility (MSNLF), the Main Street Priority Loan Facility (MSPLF), and the Main Street Expanded Loan Facility (MSELF). All three facilities use the same Eligible Lender and Eligible Borrower criteria, and have many of the same features, including the same maturity, interest rate, deferral of principal and interest, and ability of the borrower to prepay without penalty. The Federal Reserve is authorized to purchase up to \$600 billion of participations in Eligible Loans from Eligible Lenders.

► Eligible Businesses

U.S. businesses, with significant operations in and a majority of its employees based in the United States, may be eligible for loans if they were established prior to March 13, 2020 and meet either of the following conditions: (1) the business has 15,000 employees or fewer; or (2) the business had 2019 revenues of \$5 billion or less. Loans issued under the Program will have a four-year maturity, and principal and interest payments on the loans will be deferred for one year.

► Required Borrower Certifications and Covenants

The Eligible Borrower must:

- Commit to refrain from repaying the principal balance of, or paying any interest on, any debt until the Eligible Loan is repaid in full, unless the debt or interest payment is mandatory and due.

- Certify that it has a reasonable basis to believe that, as of the date of origination of the Eligible Loan and after giving effect to such loan, it has the ability to meet its financial obligations for at least the next 90 days and does not expect to file for bankruptcy during that time period.
