**America's SBDC Iowa Lends Support to Small Business Saturday**

*State's Principal Provider of Business Assistance Encourages Small Business, Community Participation November 25th*

**Ames, IA** – America's SBDC Iowa, the state's principal provider of small business assistance, is proud to support Small Business Saturday, a day dedicated to supporting small businesses and raising awareness of their impact on Iowa's economy.

Created by American Express in 2010, Small Business Saturday serves as the ceremonial kickoff to the holiday shopping season for small businesses across the United States. In 2016, an estimated 112 million consumers reported shopping at small businesses on Small Business Saturday, spending an estimated \$15.4 billion as reported in the 2016 Small Business Saturday Consumer Insights Survey. The day was also championed by elected officials in all 50 states and Washington, D.C.

In alignment with its mission, America's SBDC Iowa recognizes the importance of supporting small businesses, the jobs they help create, and the culture they instill in local communities. According to the U.S. Small Businesses Administration, Iowa's 266,382 small businesses account for 99.3 percent of all businesses in the state and employ nearly half of the state's private-sector workforce.

"Small Business Saturday has become a national movement to celebrate and highlight the role and impact of small businesses on our economy," said Lisa Shimkat, America's SBDC Iowa State Director. "This Small Business Saturday, and throughout the holiday season, anyone can make a difference by shopping small."

In support of Small Business Saturday, SBDCs across the state are promoting the event through social media and other platforms to encourage small businesses' participation and shoppers' support.
